Astrid Hermann

BEIERSDORF

The Supervisory Board of Beiersdorf AG appointed Astrid Hermann to the company's Executive Board with effect from January 1, 2021. She will take over the financial management of Dessi Temperley, who will leave the company after the end of her contract. Recently, Hermann was responsible for the finance department of the North American business at Colgate-Palmolive. For the past two years, she was Vice President Finance North America at Colgate-Palmolive in New York. She has been with the company since 2004 and previously held various managerial positions in the financial sector.

Dr Guido Spachtholz

HERMA

On March 1, 2021 managing director Dr Thomas Baumgärtner will retire. Dr Guido Spachtholz is to succeed him as managing director and head of the self-adhesive technology specialist's Self-adhesive Materials division. Like his predecessor, he was awarded his doctorate in engineering. Dr. Spachtholz will start to familiarise himself with his new roles in Filderstadt in January. He was most recently a member of the board of management of Chiron Group, a specialist in CNC machining centres and turnkey manufacturing solutions headquartered in Tuttlingen.
