01.17.25

Hear key insights into consumer lifestyle shifts, market trends, and statistical drivers shaping the beauty landscape at this presentation.

BeautyStreams is presenting its official CosmoTrends Miami Report 2025—spotlighting exhibitors' products and innovations—at Cosmoprof North America Miami. The report is an essential resource for attendees and beauty industry professionals, offering a curated overview of directional innovations across all beauty categories. The presentation will take place in the Ocean Ballroom A/B on Tuesday, January 21st, 2025 from 9:30 a.m. to 10:30 a.m.

The speakers are BeautyStreams' Fernanda Pigatto, global partnerships director, and Eleonora Mazzilli, business development director. (Shown above.)

The speakers will discuss emerging brands, key insights into consumer lifestyle shifts, market trends, and statistical drivers shaping the beauty landscape.

And while you're at the show, be sure to visit the BeautyStreams team in the Main Hall, Booth 1175.
